WESTERN NEW YORK NYSUT WOMEN'S COMMITTEE

The NYSUT Women's Committee has asked members to form regional Women's Committees across the state. The state-wide committee was formed to address issues that affect women in our membership and create opportunities for women to participate in activities that uplift and empower them as well as to develop resources to support, educate and mentor women.

The first meeting of the Western New York NYSUT Women's Committee was held on Tuesday, February 6, 2024 at the NYSUT office. Fifty active and retired women attended this initial meeting, which included 8 RC #44 members. Small groups discussed activities that the committee might want to engage in. Among the topics discussed were participating in community activities, working on issues important to women and planning trips for members. Retiree Council #44 members are invited to join the Western New York NYSUT Women's Committee. If you are interested, please contact Lynn Garcia by email at garcia61@aol.com.

One person can make a difference, and everyone should try. ~John F. Kennedy

Since 2011 The Teacher's Desk has been committed to providing teachers in Western New York who teach children in need with materials for their classrooms and students.

Left to Right: Debra Hurley, Stephanie Hall, Meg Villa, Cheryl Malzan, Maria Pacheco, Sharon Fretthold and Julie LoCicero

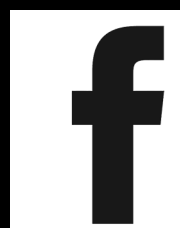

The Teacher's Desk is able to provide this valuable service because of volunteers who are willing to make a commitment and thus a difference in the lives of teachers and students. Retiree Council #44 members, along with their colleagues from Retiree Councils 1, 2, and 3, are an integral part of this success. This year The Teacher's Desk has set a goal of packing and distributing 20,000 Panchopacks to children in need. This is in addition to providing teachers with materials for their classrooms and students. Retirees volunteer on Tuesdays between 2:30 and 5:00 P.M. and Wednesdays between 1:30 and 4:00 P.M. Please consider joining in this wonderful service to teachers, students and the community. If you are interested in participating, please contact Sara Rodland at sarasarasara2008@live.com

A TALE OF TWO TIERS

Let's look at Mike and Molly who both teach in the same school district. Mike is the more experienced and is on Retirement Tier 4 while Molly is on Tier 6. Let's see what that means when retirement nears.

At the start of their careers, Mike and Molly each pay 3% of their salary toward their retirement...

BUT WATCH WHAT HAPPENS.

TIER 4

For the first 10 years, **Mike** continues to pay 3% of his salary toward his pension, BUT after year 10, his payments END.

Mike can retire and collect his full pension penalty-free at age 55 and 30 years of service. This would equal 60% of his FAS (Final Average Salary.)

TIER 6

As **Molly's** salary increases, so does the percentage of her salary going to her pension. When she reaches \$46,000, she will be paying 3.5% of her salary toward her pension. By \$56,000 she is paying 4.5%. By \$76,000 it's 5.75% and by \$101,000 it will be 6%. **Molly can't retire and collect her penalty-free pension until she's 63.**

If she retired like Mike at age 55 and 30 years of service, she would receive only 26.4% of her FAS – after paying tens of thousands \$\$\$ more into the system.

**info from FixTier6.org

It's UNFAIR that some NYSUT members must work longer, and contribute more, to earn a significantly reduced pension. This should anger ALL union members. **FIXING TIER 6 IS ABOUT DIGNITY.** The hallmark of a public-service career is the promise of a dignified retirement.

FIXING TIER 6 IS ABOUT KEEPING TALENTED EDUCATORS IN THE CLASSROOM AND RECRUITING NEW EDUCATORS INTO THE PROFESSION. Forcing younger members into a lesser pension system undervalues our profession and makes it harder to recruit new teachers. **FIXING TIER 6 IS ABOUT UNITY AND POWER.** By staying united, we've made big changes before. We can do it again!

HOW CAN RETIREES HELP?

- ➔**WRITE OR CALL** your state representatives letting them know that Tier 6 has to be changed if NYS is going to attract qualified teachers.
- ➔**TELL** your state representatives that Tier 6 makes teaching a less desirable career and discourages young people from choosing to teach.
- ➔**EXPLAIN** what has happened to Teacher Pensions in NY if the subject of *"teachers' great pensions"* comes up in conversation.
- ➔**DEFEND** and **ENCOURAGE** teaching as a worthy profession for young people to consider.
- ➔**DONATE** to **VOTE-COPE** to help NYSUT get the message out to our state lawmakers so that changes can be made.

SNOW BIRDS

NYSUT Retiree Council #43 is the only NYSUT sanctioned out-of-state retiree council. They have an active, dedicated group of retirees who welcome you to join a local Florida unit. All units sponsor social activities, meetings with guest speakers and community projects that benefit children. If you are interested in becoming involved, even on a seasonal basis, please contact Miriam Hanan, NYSUT Retiree Consultant, at 516-236-0276 or at miriam.hanan@nysut.org. Miriam will connect you with the local unit representative in your area. Connecting with a Florida retiree unit in no way takes away your affiliation with Retiree Council #44.
