Vote! Your Future Depends On It!!

“With control of both houses of congress and the Presidency this election cycle there is no doubt that this is the most significant election of our lifetime. With significant differences the choice for our country’s seniors is both important and stark. For this election Social Security **is on** the ballot. Medicare **is on** the ballot. The cost of prescription drugs **is on** the ballot. Medicaid **is on** the ballot. The Affordable Care Act **is on** the ballot.”

The above comes from a recent newsletter from the NYS Alliance for Retired Americans. This organization is sounding the alarm for the future of programs on which many of us depend. Your voice and your choice will make a difference. So, you should know how the parties approach these programs.

Upon his re-election to a second term, President Bush pushed for privatization of social security. Its eventual defeat was followed by the Great Recession. Had the privatization plan been in place it may have jeopardized the financial future of Older Americans. Recently, a Republican House Study Committee proposed increasing the age for full social security benefits to 69 and cutting benefits by \$1.5 trillion dollars. Moreover, in a recent interview former President Trump suggested there could be cuts made to social security and Medicare.

In addition, we have a record on retirement to know how our own Congressional representatives voted on bills affecting Older Americans. According to the national Alliance for Retired Americans, three of our area Congressional representatives had 0% positive voting records on 10 bills they flagged as impacting us. Those three: Brandon Williams, Claudia Tenney, and Elise Stefanik.

Make no mistake about it. It’s all on the line in 2024: social security, Medicare, Medicaid, prescription drug costs, and the Affordable Care Act. Vote. Your future may depend on it.

NYSUT RETIREE CONFERENCE FOR RC 7 & RC 8

September 23, 2024

Doubletree by Hilton, East Syracuse

Invitation coming soon!

From the President's Desk...

Loretta K. Donlon

This issue's column is an RA report from **Margo Buckingham**, one of three RC 7 Delegates to NYSUT. Margo serves on the Board of Directors as the Immediate Past President. She is a Fayetteville-Manlius TA retiree. **Candace Johnson**, 3rd VP of RC 7, also serves as a Delegate. She is a United Liverpool FA retiree.

In early May, your elected RC 7 Delegates – Loretta Donlon, Candace Johnson, and Margo Buckingham – travelled to New York City to attend the annual NYSUT Representative Assembly. The RA is where the work of our UNION takes shape. NYSUT officers and delegates celebrated our success related to the New York State budget's funding for education. NYSUT was also successful in improving Tier 6 by changing the final average salary calculation from 5 years to 3 years.

Resolutions submitted by Locals and Retiree Councils are discussed and voted on by the Delegates. Those resolutions provide direction for NYSUT's legislative efforts for the upcoming year. At this RA, some of the resolutions passed dealt with such issues as fighting child poverty, banned books, monitoring Medicare Advantage plans, rising health insurance costs, Alzheimer's, the ERA, and AI – artificial intelligence.

Also on the agenda was a star-studded line-up of speakers. Delegates heard from AFT President Randi Weingarten, Governor Kathy Hochul, NYS Comptroller Tom DiNapoli, NY's Senior Senator Chuck Schumer, and NY Attorney General Tish James.

All in all, it was a jam-packed couple of days that showcased the best of NYSUT.
